

Regents Examination in United States History and Government – June 2008

Chart for Converting Total Test Raw Scores to Final Examination Scores (Scale Score)

Total Part I and Part IIIA Score

To determine the student's final score, locate the student's total essay score across the top of the chart and the total Part I and Part IIIA score down the side of the chart. The point where those two scores intersect is the student's final examination score. For example, a student receiving a total essay score of 6 and a total Part I and Part IIIA score of 44 would receive a final examination score of 81.
